

## Extraordinary Ministers of Holy Communion

Feb-Mar, 2020

### Notes:

*As noted in an earlier email, there has been a change regarding the procedures for the Sunday 7:30 AM masses.*

*Deacon Tuccio and Deacon Flynn are going to be focusing on covering the 4 PM Saturday mass and the 9 AM, 10:30 AM and 12 noon masses on Sunday. They will attend the 7:30 only when they preach. So there will be many 7:30 AM masses without a deacon. Since mass attendance is low at the 7:30 AM, we will be fine with three communion stations for most of the time be 4 Communion stations. If there is no Deacon, there will only be three Communion stations. The priest will stand in the center. Each of the lay ministers will go to the sides. And then if one of the lay ministers finishes early, he or she could come to the center.*

Also, see the notes below regarding Ash Wednesday

DATE	4:00 PM	7:30AM	9:00AM	10:30AM	12:00 NOON
2/1-2	Kathy Clark Betty Henn	Joe/Carole Donnarumma	John Tartaro Carol Re	Bob/Betty Blackwell	Anna Barker Alice Brady

# Extraordinary Ministers of Holy Communion

Feb-Mar, 2020

---

## Ash Wednesday - February 26

Only the clergy will distribute Communion on Ash Wednesday. However, there will be a need for EMHC to distribute ashes. If you are unable to serve, please find a substitute. Also, please agree among yourselves where each minister will stand for the distribution of ashes.

If a mass is very crowded, the celebrant may ask at the last minute for help with Communion. Otherwise, please plan on distributing ashes only.

As Fr. Henry reminds us, "If you can do the greater (distribute Communion), you can do the lesser (distribute ashes)." And we are needed to help distribute ashes.

When distributing ashes, we say one of the following:

***Turn away from sin and be faithful to the Gospel.***

***Remember we are dust and to dust we shall return.***

Ashes can be distributed to children of any age at a parent's request.

<b>8:30 AM Mass</b>	<b>12:10 Prayer Service</b>	<b>5:15 PM Prayer Service</b>	<b>7:00 PM Mass</b>
